Mr. Thomas W. Easterly, P.E., DEE, QEP
Commissioner, IDEM
100 North Senate Avenue

Dear Commissioner Easterly:

It was my pleasure speaking with you at the Dana/Univertical cleanup and remediation ceremony. The lectures and tour were very informative and impressive. It is truly a centerpiece of public/private collaboration thanks in large part to IDEM's forward thinking and willingness to be creative to protect the natural assets of our great state. FYI, I have enclosed a copy of a newspaper story and photo of the July 21st event.

Thank you for your willingness to go forward with a Commissioner's Order in regard to the abandoned BP gas station/convenience store.

Please let me know if I can be of any service in pursuing said order and please let the Attorney General's Office know that the City of Angola and all of its departments are at its disposal as this moves forward. I would note that Mr. Junk of the Attorney General's office was quite helpful and involved in putting together the Dana/Univertical project, so we have the utmost confidence in him.

Very truly yours,
Angola City Attorney
